JOBST® Bella Strong

Ready-to-wear compression glove
for Lymphoedema Therapy

JOBST® Bella Strong

JOBST® seamless **comfort** in a ready-to-wear **glove**

Durable and latex-free, the JOBST Bella Strong glove provides moderate compression for patients with mild to moderate oedema. Leveraging the advanced flat-knitting technology only ever seen in our custom garments, patients can now access that nearly custom feel in a ready to wear product. The glove is available in **eight sizes**, covering a broad range of patients and provides a perfect complement to the rest of the JOBST Bella Strong assortment.
