

NITRO Rollators

The Nitro Rollator walking aid has been designed for easy manoeuvrability both indoors and outdoors. Featuring large 10" form casters, the Nitro has an enhanced turning radius thanks to the caster fork design.

NITRO ROLLATOR

- Lightweight aluminium frame which has been designed for easy manoeuvrability
- Suitable for use in tight spaces with a caster fork design that enhances turning radius
- Internally routed brake cables for added safety
- Push button height adjustment on handles to suit user requirements
- Cross brace design for added stability
- Easily folds with one hand to a compact size for storage and portability
- Integral seat handle serves as a useful handgrip for pulling rollator when used as a shopper or for carrying when folded
- Large 25cm (10") front casters for easy manoeuvrability
- Lightweight walking frame is suitable for indoor and outdoor use
- Removable zippered storage bag for storing shopping items and essentials
- Plastic clip holds the rollator closed when frame is folded for easy handling
- Back support height easily adjusts with tool free thumb screw
- Soft, flexible backrest provides comfort and security while seated
- Rear stepper tubes facilitate safe curb-climbing for both attendant and independent user
