

CS7 Wide Deck

THE SOLUTION FOR LARGER USERS

At 42" (107cm) wide the Wide Deck E is prepared for larger residents while also increasing comfort. It contains all the standard features of the CS7 model, such as a 17cm-76cm height range, along with auto-contour capability that simultaneously raises both head and knees, while reducing skin shearing.

Making Life's Experiences Possible

Yes, you can.®

CS7 Wide Deck

- **Holds up to 226kg:** Suitable for heavier users.
- **Floor lock system:** Secures bed to floor but allows for mobility on demand.
- **Tubular slat deck design:** Enables greater infection control, reduces wear and tear on mattresses, and easy to clean.
- **Hand control pendant:** Water-resistant, easy to clean and simple to use.
- **Tool-less assembly:** Fast connect system allows for faster set-up and easier alterations.
- **Trendelenberg:** Optional function accessible from attendant control panel only.
- **Range of Head and Foot boards:** Contact us to explore our full range of timber and laminate options to match your decor.

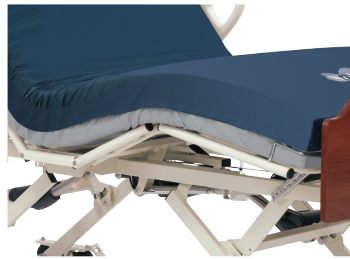

Features

Wider mattress support.

Floor lock system.

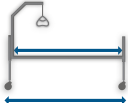

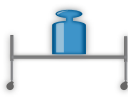

Auto contour ability.
