

Naturelle Pillow

Therapeutically designed and gently contoured to cushion the head and cradle the neck to optimise spinal alignment.

Totally natural from the rubber tree.

The Naturelle pillow is made from natural latex. Its natural properties inhibit bacterial and fungal growth, and naturally resistant to dust mites.

Two-part construction.

Pillow includes an extra removable layer of latex (2cm) so you can adjust the height to be able to suit any physique.

Special core construction - it 'breathes', no sweat!

Hundreds of tiny cores have been created in the Naturelle latex pillow to allow air to flow for a more hygienic sleep environment. These cores, averaging half a centimetre wide, also enhance the pillow's luxurious 'feel' as well as providing even pressure dispersion.

Contoured Pillow Shape

Designed for all sleeping positions and physiques, the all-natural, high-quality Naturelle latex pillow conforms to the shape of your head and neck to provide continuous support throughout the night.

- ✓ **Natural Latex**
- ✓ **Contoured**
- ✓ **Adjustable Height**
